

PRODUCTION ALERT- EIDC Offers New Text
Messaging System
August 4, 2005

In order to better serve our customers EIDC will be introducing a new after hours “on-call” service beginning August 15, 2005. The new number will be **866-633-7533**.

This service upgrade from a standard paging system to a text messaging system will provide a more direct, accurate and consistent method for production companies, and members of the community and local government to reach our staff after hours.
